

Animals in the Bible – lions

Lions represent strength and courage, and they are often used to reflect God's power and authority. (Amos 3:8; Proverbs 30:29–30; Isaiah 31:4.)

In the New Testament, the lion is associated with Jesus Christ, who is referred to as the "Lion of the tribe of Judah" (Revelation 5:5).

Lions are used symbolically in certain prophetic scriptures: In the Book of Daniel, Daniel dreams of four mythical creatures, one of which is a winged lion. (Daniel 7:3–4.)

Lions also serve as a symbol of warning. (1 Peter 5:8; Psalm 17:8-12.)

Right now, lions and many wild animals are carnivorous and attack other animals; but the Bible predicts a coming time when lions and wild animals will live together peacefully with other animals; lions will even eat grass. (Isaiah 11:6; Isaiah 65:25.)
