

A Mother's Foresight and a Miracle

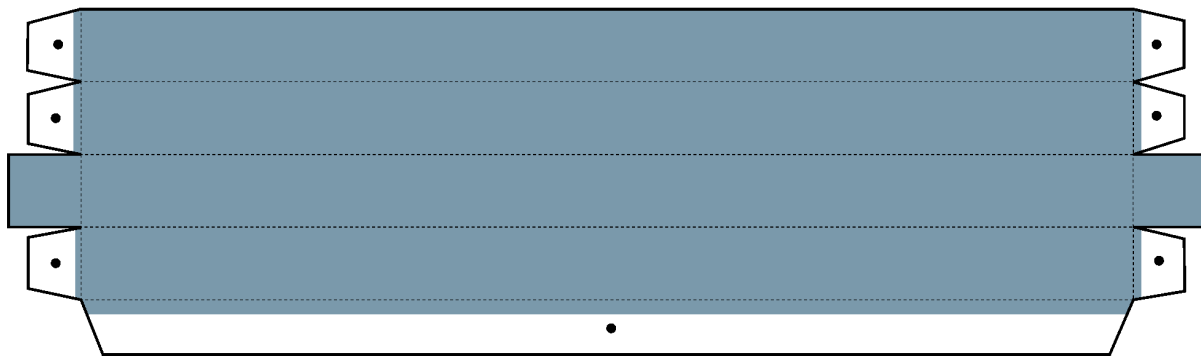

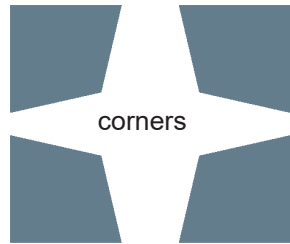

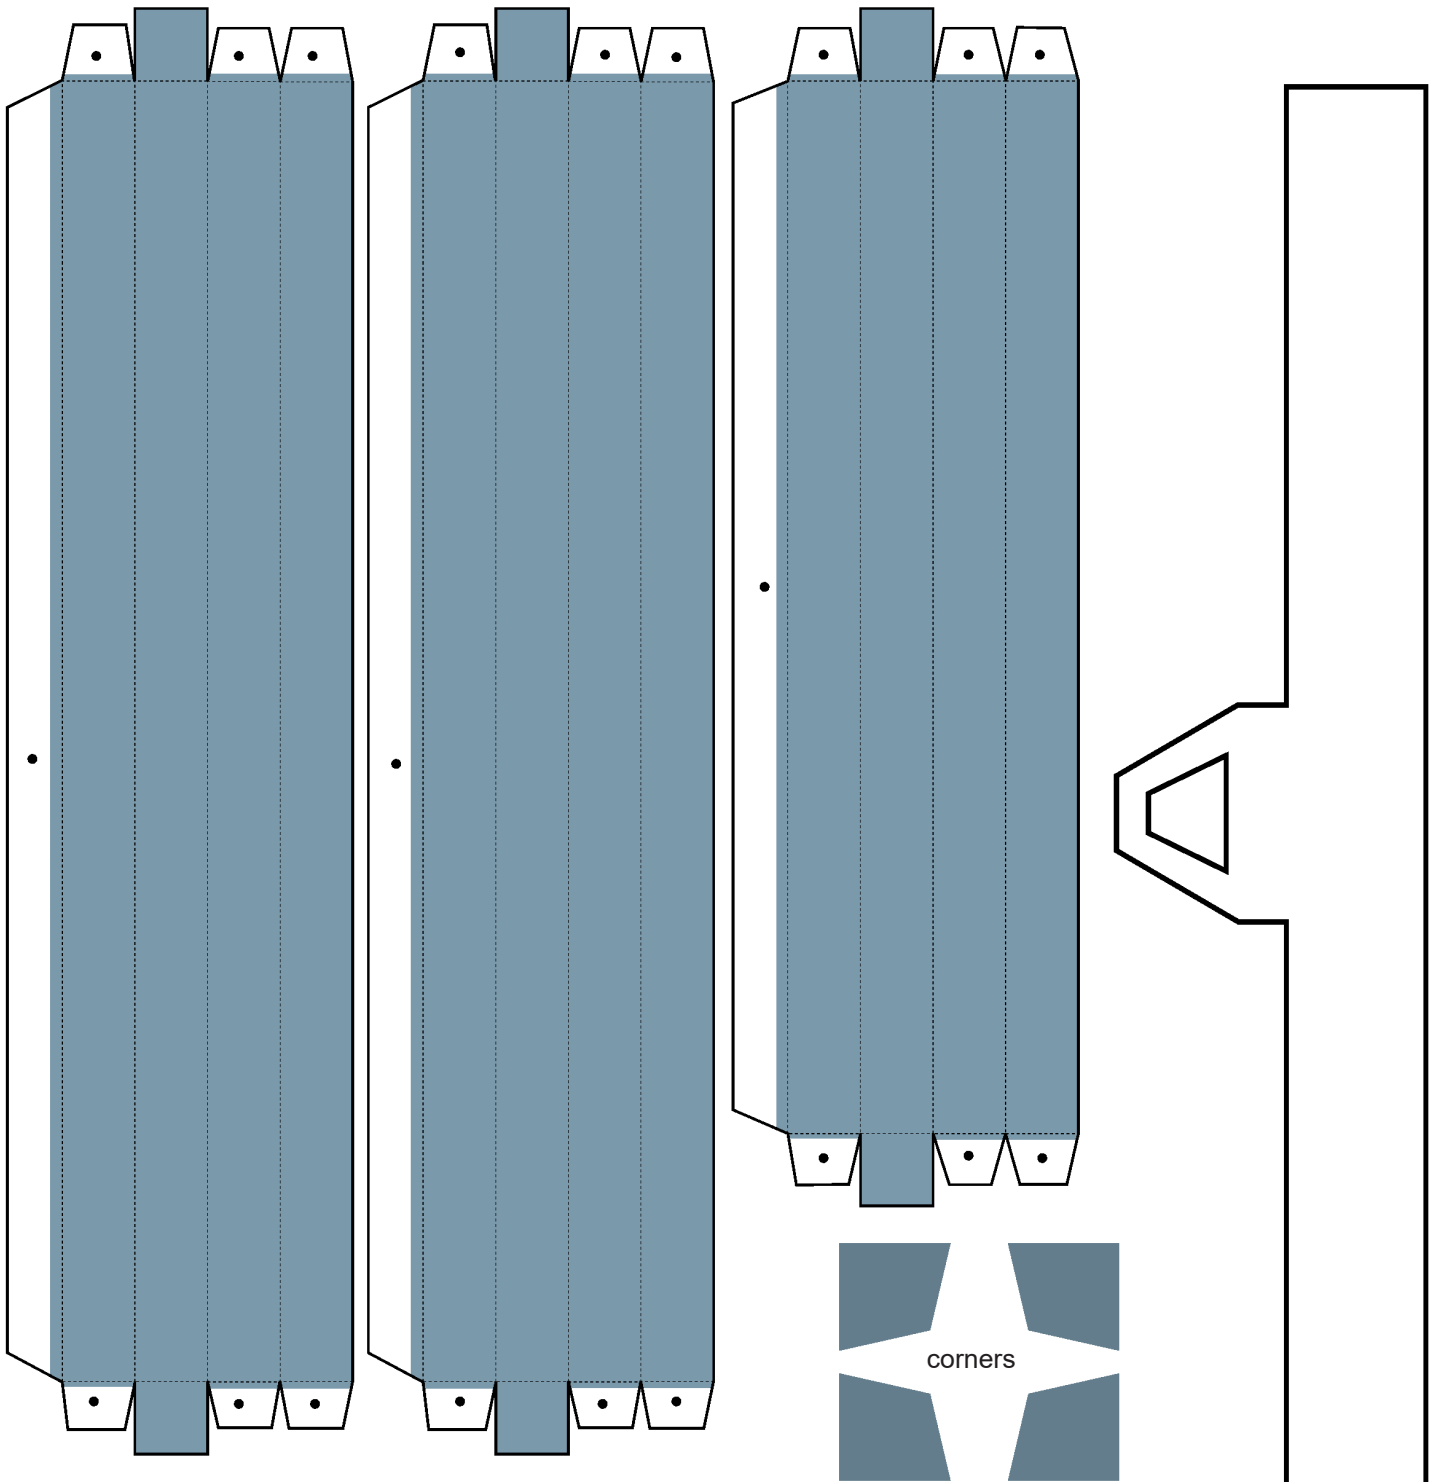

Not long before the yearly Passover feast, Jesus and His disciples went up a hill, followed by a great multitude who had seen and heard of the miracles Jesus performed of healing the sick.

Many people were coming to hear Jesus, including a boy with some friends who had decided to join the others who were gathered to hear Jesus teach. Before leaving home, the boy's mother prepared food for him to eat, and gave him a small basket with five little barley loaves and 2 small fish.

Imagine their great surprise and delight when these small barley loaves and fish were used by Jesus Himself for a miracle that fed five thousand people! This boy had given the little he had to Jesus, who then in turn did great things with his small gift!

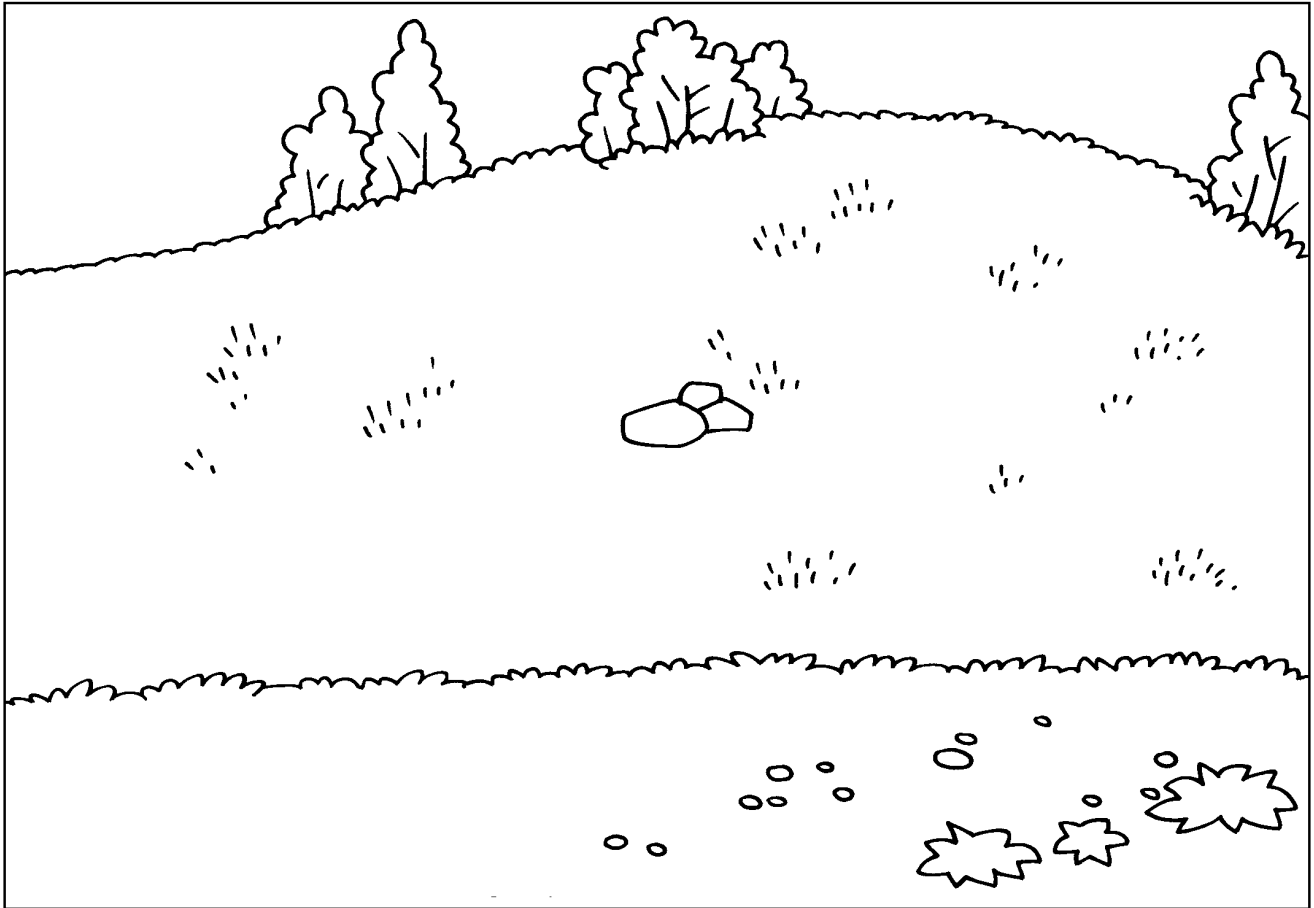

You can read the story of this miracle in John Chapter 6, verses 1 to 13; also found in Matthew 14:19; Mark 6:35; Luke 9:12
