

## The Town of Nazareth

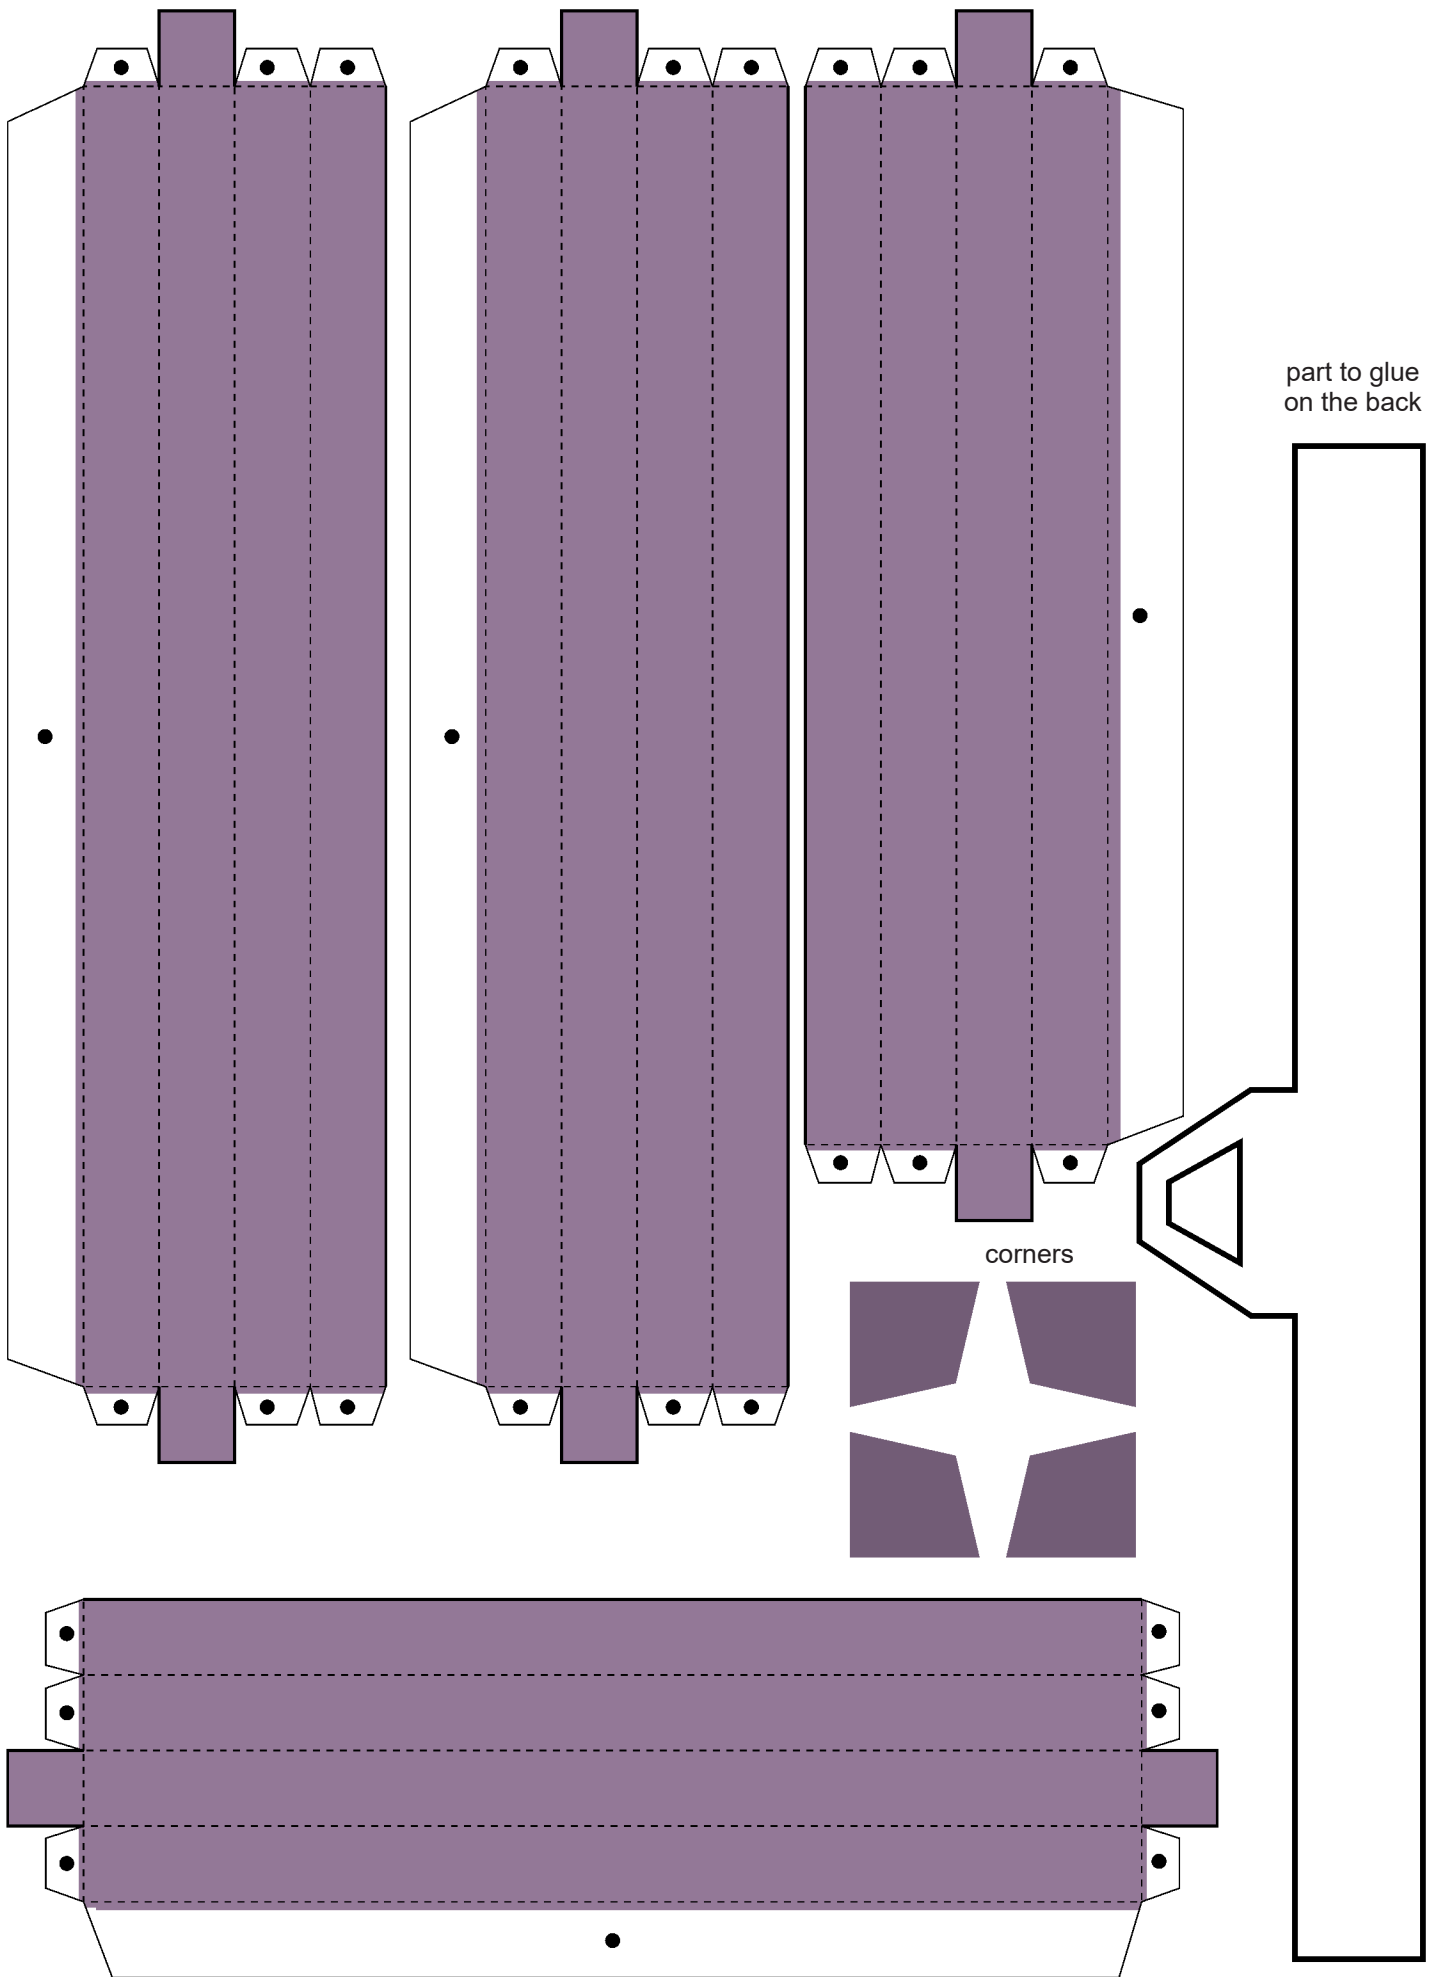

The town of Nazareth was a small town in Jesus' day. When Philip found Nathanael and told him "we have found him" (the Messiah), Nathanael answered "Can anything good come out of Nazareth?" This tiny farming village, far from the main trade routes, was one of the last places anyone would look for the Messiah of Israel. (John chapter 1, verse 46)

The city's Biblical link is also to Joseph and Mary who were living there when the angel Gabriel appeared to Mary to tell her that she will be pregnant with baby Jesus. They also lived there after returning from their flight to Egypt.

Therefore, Jesus spent most of his childhood in Nazareth and lived there up until his early ministry days.

You can read these stories in Luke chapter 1 verses 26 to 38; Matthew chapter 2, verses 13 to 23.
